

Bees

Materials:

- Empty egg tray
- Glue
- Yellow paint
- Yellow serviette
- Black felt tipped pen
- 1 pipe cleaner, cut in half

Method:

- Cut four small cups from the egg tray.
- Glue the cups together in pairs to form the bee's body.
- Paint the 'body' yellow and leave to dry.
- Cut wings from a yellow serviette and glue onto the body.
- Draw the face and lines on the yellow body using a thick black felt tipped pen.
- Make feelers with pipe - cleaner.
